NEEDS YOUR SUPPORT!

Have you heard about the PGCA Scholarship & Bursary Awards Program? It was started in 1996 to help students pursue a career in a construction related field. Once again, the Program will provide four \$500 scholarships and four \$1,000 bursaries.

We would like you to consider what you could do to contribute to the lives of young people and to our industry. To maintain these awards on an annual basis, we need **YOUR** support. A donation of **any** amount would be greatly appreciated!!
